“In today’s competitive healthcare market, **fiscal responsibility** is a top priority. Being a member in a self-insurance captive has allowed AnMed Health the opportunity to receive **refunds in excess of \$1.4M.**”

– CHRISTINE PEARSON, CPA, CHIEF FINANCIAL OFFICER, ANMED HEALTH

Early resolution of claims with possible liability is one of the many ways that participation in the PHLIP captive provides financial stewardship for our organization. Over the past 9 years Self Regional Healthcare has **saved an estimated \$5.3 million** through participation in the PHLIP communication and resolution program

– MATTHEW LOGAN, MD, MHCM, VP & CHIEF MEDICAL OFFICER, SELF REGIONAL HEALTHCARE
