

DO YOU KNOW THE RISKS IN YOUR PRACTICES? WE DO, AND YOU CAN TOO

We've performed hundreds of physician practice assessments, and our three step process will tell you all you need to know to mitigate the risks in **your** practices.

407

Data points covered
in each assessment

\$320K

Average cost of
physician practice claim

229

Evidence-based resources
in our Toolkit

“Following the assessments you receive an Executive Summary with findings and actionable recommendations, numeric scores, and benchmarking. We received a toolkit with best practices, sample policies, competencies and more. This isn't just a list of deficiencies; we are given potential solutions so that we don't have to recreate the wheel.”

– KIM HUNSUCKER, MSN, APRN, FNP-C, SENIOR SERVICE LINE DIRECTOR, CONWAY MEDICAL CENTER
